Curriculum Vitae (CV)

What job i'm looking for? My positive points

Any Job as for now I dont have an experience in any job as i finished school in 2019 was in a gap year due to financial struggle . I am a hard worker, am more interested in what I do because I know myself that I will make a great job in it .As I come from a humble family , I've learned to respect anyone in a certain place where am working.
