What job i'm looking for? My positive points

Request for open post at your working place(general work)

I'm a young active lady with a vision currently looking for a job.

I last worked for a construction company located in secunda for a sewer project appointed as a SHE rap on my team. My contract ended December 2019 when the project finished.

I'm now located in Witbank and ready to locate anywhere the job is.

Hope you find the above in order for a positive answer.
