Curriculum Vitae (CV)

What job i'm looking for? My positive points

As a qualified artisan in the lift industry, I qualified as a lift mechanic in MAR2019, having started my career in 2015NOV as an apprentice with one of the reputable global companies. My qualification covers a broad spectrum of skills converging electrical and mechanical skills all in one, modules covered in my trade are exactly identical to those of a Millwright. I can work in a mechanical and electrical setup, I'm eager to learn more and work well with other people, a vibrant team player, I thrive best in a supportive, positive and growth orientated environment. I'm good with dealing with clients as I understand that they bring business to us and a good service rendered to them means everyone is happy. I worked in the repair and maintenance department in the previous firms I worked for.
