## What job i'm looking for? My positive points

I am a registered healthcare practitioner recognised and registered by the HPCSA. I would like to use my 10 years of experience dealing with medical, trauma and non traumatic cases in the community and bring it to your service to perform and practice as a first responder to unforeseen work injuries or any other incidents. I believe many injuries whether medical or trauma would be acted fast and efficiently after they occur to reduce deterioration before getting nurses and doctors hands.

I hope you find my application positive and beneficially to the company.

Thank you
