Curriculum Vitae (CV)

What job i'm looking for? My positive points

I finished my Matric in 2014 and i studied journalism at Rosebank College but sadly i didn't finish my course, i only did my first year and when was about to finish finances forced me to drop-out.so now I'm looking for a general job to raise money and finish my final year.since i do not have much experience.i only once or twice worked as a promoter in store.i also worked as a packer once. i am willing to take any job even cleaning as long as i get paid fairly.i am a hard worker,my goal is to get that Diploma in journalism certificate and further my studies more.i strongly work with team and i like challenges because they keep my mind occupied.getting a job will also make my monthly budget easier because i am a mother of a one-year old boy.
