Curriculum Vitae (CV)

What job i'm looking for? My positive points

Fitter and turner apprenticeship/learnership. I did fitting and turning. I've got NCV level 4 of fitting and turning. I went to do basic and advanced training of fitting and turning at Colliery Training College. I learned a lot during that short term experience. I would like to do an on-job training with the company before I will be deemed ready for the trade testing. I am eager to learn and apply those skills into practice.
