## What job i'm looking for? My positive points

I'm looking for an inspector security position

I've been honing my security skills for years now and ,first and foremost, I'm looking for a position where I can continue to exercise those skills. Another thing that's important to me is that the position allows me help and direct other people. I'm always motivated by being able to see the impact of my work on other people,and I'm definitely looking forward for a position where I can grow professionally development is something that is really important to me since I hope to take managerial responsibilities in the future.To sum it up , I'd love a position where I can use my skills to make an impact that I can see with my own eyes of course the position is the only part of the equation. being at a company where I can grow and work towards something I care about matters too .Being an security inspires and I'm really excited about this opportunity.
