

Njabulo Dlamini

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am an academic with a bachelors degree in Social sciences. Also did my postgraduate in Masters in population studies. My working experience include working with department of water and sanitation in improving sanitation in informal areas. I also worked in Northern Cape province as a facilitator of a learnership program. At university i tutored from 2017 to 2020 for geography department. I am good in using computers, also have a quantitative study certificate for analyzing statistics. I would like a job that suits my qualification and my experience. Forestry, teaching training, data capturer or statistics related job would do.
