

Mandla Khoza

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My name is Mandla and I would like to express my interest in applying for the jobs above in occupation. I have always dreamed of becoming a hard worker in a job that I will get in this situation I am into and I believe that the job can change my situation into something tangible.

I experienced that in life there are difficulties we come across with unexpertedly, I worked hard at school because I needed a bright future and I passed well in science because of hard working that I believe in, I got level 6 in Physical science and level 5 in Maths, but life is unpredictable.

Getting a job I would love to dedicate myself too wholeheartedly, and I hope that you will love my dedication.

Thank you for considering my application.
