Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a Chemical engineering graduate programme for 2022. Any chemical engineering job with no experience required would suffice such as a Chemical engineering internship. I am currently a final year chemical engineering student at the University of Kwa-Zulu Natal. I am a hard worker with a good work ethic. I am punctual and reliable with a great sense of humour. I am also responsible and look forward to new challenges to overcome. I feel that I am an asset as I am always ready to learn new things, I respect constructive criticism and respect authority.
