## What job i'm looking for? My positive points

As a dedicated and hardworking individual with 5 years of driving experience, I am thrilled at the opportunity to become an integral supply chain for this company.

I am a motivated self-starter with the ability to manage my time and thrive in an independent position with little need of oversight, making me an excellent candidate to get the job done.

Much of my previous employment history has involved driving or transportation in some form. As a curtain blind transporter driver for a Hunters Gouglas Company I was in in charge of driving dozens of curtain blinds to and from different places every day. This has taught me the value of getting where I need to go in safe but timely manner.
