## What job i'm looking for? My positive points

I am seeking a job as an administrative officer, I learned about your company from the internet. I completed my Bachelors of Commerce Honours in Business Management at the University of Limpopo. I have worked for Air Traffic and Navigations Services (ATNS) for 3 years as a Graduate (Intern). I am very interested in joining your organization. I want to apply my skills, knowledge, and experience in company

I look forward to applying my strong communication skills in the program. I volunteered at Buyisonto Youth Development Centre (BYDC), and I'm a Deputy Secretary. It was through this experience that I became aware of my passion for Commerce and where I learned the importance of effective interpersonal communication. I will use these skills, and experience as a successful businesswoman.

I have included my resume and look forward to talking with you in more detail about how I might contribute to your team. I will follow up in two weeks' time to check on the status of my application. Thank you in advance for your consideration.
