What job i'm looking for? My positive points

I am residing in Porterville. I'm currently doing my internship Bergrivier Municipality. I completed Grade 12 in 2011. I've started working since then. I have recently completed my N6 Management Assistant course at West Coast College, Citrusdal. I can communicate in two languages. My human relationships and interpersonal communication skills are also very good. As a cashier you get in touch with different people often and I believe thoughtfulness is very important. Under pressure it feels to me I am functioning on my best, this is what I experienced at my previous jobs.

Confidentiality is one of many qualities I adhere to well. I'm physically fit and I enjoy working with people and also meeting new people. Long hours of work and even overtime is nothing new to me have also experienced it at my previous jobs.
