Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm currently working as a CCTV Operator at Unilever Boksburg which amongst other things includes data capturing, responding to emails, booking of Security personnel on duty, communication with senior management, travel management, interacting with SAPS regarding any criminal activity captured on site. Since the above is almost similar to the Admin work I've done at Transnet, I'd really appreciate it if I find an Admin position.
