

Anitha Sagwityi Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a job that gives me a little bit of a challenge, so that I will not get bored. Something that is gonna keep me busy as we're studying online at my varsity. My positive thoughts are that success is not final and failure is not fatal but courages you to continue working. I believe that success always hugs you in private but failure slaps you in public.
