Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I seek to work for a successful company that has strong leadership and vision and who recognizes and rewards performers. I am someone who is consistently growing themselves and who takes the time to continue learning even though it's not a direct requirement of the job. I find that many times it's a combination of what you study both directly and indirectly related to work. I am a person who is able to control a situation rather than have a situation control me.
