What job i'm looking for? My positive points

I am looking for truck driver job. I want to further grow and gain more experience. I learn very fast and never back down for a challenge. I'm a very hard worker who takes life and work very seriously because I have a family to provide for. I am also certified to Convey Dangerous Good by Road. I believe that for whom ever I work,that I would be a great asset. All I ask in return is respect as I always show the next individual respect, irrespective of the age. With all that, then we will get along just fine. So I respectfully ask that you would afford me the opportunity to work along side you.

Kind regards
