Curriculum Vitae (CV)

What job i'm looking for? My positive points

Good customer service which means I can certainly appease customers with the good service and efficiency I provide. Working as a cashier at Pep has taught me to upsell and convince customers that they'll really be saving a lot if they were to opt for the advertised promotion, because I always give them the reason to spend even on those lousy items. I have acquired problem-solving skills in NY store because will deal with a lot of customer complains,so I have now been able to help with a lot of customer queries.
