

Betty Mokadi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Dear Recruiter

Thank you for taking time to read this , My name is Neo Betty Mokadi and I hold a National Diploma and B-Tech qualifications in Engineering Metallurgy from Tshwane University of Technology. You will find me to a very ambitious young woman who is goal orientated and determined to pursue my career in Engineering Metallurgy. with that being said I am willing to work in any filled related to my career, witch is why I am open to apply to any post I feel I will excel in. Therefore Upon being given an opportunity to serve the institute, I vow to utilize the unique blend of metallurgical skills along with essential transferable skills to carry out my role effectively thereby contributing to the institute's research and development process. I must say I am looking forward and hopefully thrilled at the prospect of joining the company and use the opportunity to excel. Hope you find my application favorable.

Thank You
