Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am interested in administration and call center jobs. Currently I am unemployed due to retrenchment in 2020 when the pandemic started. I am willing to take any available opportunity that is available. I am willing to learn in any position provided. I am a quick learner and can work well on my own. I can handle stressful situations as I am an understanding and very relaxed individual. I do come from a background of Frontline position for the past 11 years in Optometry. I hope this finds you well and that you would give me an opportunity within your company.

Kind Regards

Adelaide Van Neel
