Curriculum Vitae (CV)

What job i'm looking for? My positive points

I worked at Shoprite warehouse as a forklift and Reachtruck operator for 4 years, had to resign due to home situation because my mom works at Johannesburg and there was no one at home so I had to come back because crime is too high here at home. I dropped out of school after I failed my grade 11 because I thought I was getting old to repeat the same grade. I'm a hard worker and I appreciate whatever pay I get from work, I really need a job because I have needs which my mother cannot help me with so I'm willing to work hard.
