Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have completed matric at Promat college in 1993.I further completed Chemical plant operations N6 at Capricorn Tvet College.I was employed by Rio Tinto Mining & Exploration initially as a Mineral Sorter at Polokwane Mineral laboratory (13/01/2000- 31/12/2006). During this period I managed to complete Fundamentals of Microsoft office (2005) & Microsoft office 2003 core level 2 (2006).I was promoted to Field/Geo Technician in 2007 to work on exploration research projects. During this period I attended a Health,Safety, Also legislation course & training including MHSA & OHSACT. My employment ended due to operational requirements (retrenchment). During my employment I learned more skills like planning daily activities,hazard identification,assessing risk, mentoring & coaching peers, meeting targets,problem solving, compliance to standards,being assertive & hierarchy of control. I am deteous, hardworking and will to learn to further grow my skill & improve my profession.I hope this application will meet with your most sympathetic consideration.

Yours Faithfully
