What job i'm looking for? My positive points

Hi hiring manager

I am a civil engineering technician and I have a little bit of experience in my field, and I still think I need more experience since experience is never limited.

I have a positive attitude towards everything, I'm a team player, hard-worker and punctuality is one of my strong points. Everything I do I make sure that it's done before the deadline.

Getting hired by you, you be highly appreciated.

Kind regards
