Curriculum Vitae (CV)

What job i'm looking for? My positive points

Im a 24 year old hard working candidate who likes to prefer to let his job and effectiveness within the job to do all the talk for him, i currentley have obtained a certificate in business management, which consist of serveral modules like : Accounting A, Accounting B, Marketing Management, projects (which basically deals with tenders and all its operations), operations Management, work intergrated learning and work readiness program, Business Management.

The above stated qualification allows me to enroll and apply for different specified jobs and as a result i previously in the past had worked for edcon where specified knowledge of the above mentioned came to be in handy.

I therefore would declare myself to be a self motivated individual with strict individual morals and a very well good time management abilities.

I see myself as a well suitable candidate for the job, with skills and abilites for it, i enjoy learning new things as it well benefits me for the future and opens more doors for exercising my learned skills.

I hope this finds you in good order

Kind regards

Mahlaule
