What job i'm looking for? My positive points

I put my self as a qualified candidate for this job because I've worked as a security officer before I have all the documents to support my statement. Another thing that I want to tell you is that being a security officer doesn't mean you've to be rude to people who are entering the premises, you must show good character to them as you don't know who they are and what they're doing remember you're representing your company.
