## What job i'm looking for? My positive points

I am an energetic go-getter, hard worker and a very passionate person. Being in the kitchen is one of my favorite place to be in, as I love to cook with my whole heart, though I couldn't study further my studies but I like to call myself a self-made chef, because I love to play with flavors, create new dishes, I also watch the food channel, and follow recipes just so I can sharpened my skills.

I'm a team player I work well in a team and also do give input to achieve the task that we will be given at hand. Employing me will not be a loss but a good asset to the company because I'm a hard worker and I also care for other people, I do my work with great diligence.
