Curriculum Vitae (CV)

What job i'm looking for? My positive points

To whom it may concern,

I love to drive and have 8 years of experience across a multitude of industries. I think it is this love for driving that has ensured I have flourished in my past jobs and that my passengers have not only felt safe when I am at the wheel but have actually enjoyed trips we take together.

Although one of my favourite aspects of driving has been the people I have met and conversations I have had, I also really enjoy solo assignments and roles where I can really focus on delivering the most professional service possible and ensure I am adding significant value to my employer.

With me on your team, you will be adding a passionate and positive person into the space who strives and succeeds to deliver a highly professional standard of driving excellence.

Yours sincerely,

Linda Masondo
