

Simon Stewart

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Fully certified, trained, and experienced electrician (HV and MV Electrician certification) who can meet strict deadlines without compromising on quality. Work at TZ-VR Steel mining, the go-to person regarding all electrical regulation, installation, and calculation matters. Part of the company expert at equipment testing, equipment maintenance, safety protocols, and tracing, finding, and rectifying electrical faults. Many of attributes include identifying unsafe electrical situations, installing wiring systems, and managing other electricians. Furthermore, manage multiple and varied tasks with enthusiasm and prioritize workloads with great attention to detail. From 2011 - 2014 practice foreman duty s complying SOP, VFL safety, and all responsibilities of a foreman. Aside from my technical abilities, my pleasant manner and excellent communication skills allow me to liaise effectively with clients and colleagues. To this effect, Have a long list of testimonials from satisfied private and business customers. Aware of your company's excellent reputation and am keen to join a company that recognizes hard work and rewards ability. Subsequently, Hope you will consider my application seriously and put me on a list of applicants who you are going to invite to interviews. Have attached my CV for your consideration, and would like to thank you for taking the time to consider my application.
