## What job i'm looking for? My positive points

I am a punctual person who is very dedicated in what they do. I plan everything I do and I am always consistent with my plans. I am a hard worker and I love a challenge. Working in a group and individually doesn't matter because I know I can produce results whichever way. I believe in learning and I am a fast learner. I work well with people and also under pressure. I am looking for a job that will help me advance my career and thinking capability because I believe a sleeping mind gets lazy.
