Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm obsessed with engineering and how mechanical equipment works and I'm good with hands-on work and problem-solving skills and I'd like to venture out on a career like this anything training/assistant/ leadership in engineering anything when doing for me more especially artisan program. I am a hard-working individual with good interpersonal skills and I can relate also and am quite a quick learner. My objective is to seek any position offering training with opportunities for advancement. I have self-respect and respect for others. I am willing to present myself in an interview at any time convenient. I hope I'm successful and be an asset to your company.
