I am confident that I have the necessary skills, qualities and attributes to carry out the job to a very high standard.

Why would you hire me? I have certainly been an asset to every employer I ever had because I am always accountable for results. Seeing your Company has been around for many years, It's evident to me that a high level of customer care is one of your top values, which is something not common nowadays and you are to be highly commended. I could not help but notice that the company is growing and looking for additional personnel who will be committed to growing along with the company.
