What job i'm looking for? My positive points

I am currently on early retirement since February 2020, but have discovered that I still have so much potential and energy together with my expertise to share in the industry. I am actually looking for administrative work to do from home.

I have uncapped wifi and have recently upgraded my laptop. My husband and I are currently both at home and I have so much leasure time on hand as he supports me in all my endeavors. Debtors and Creditors are my fields of expertise, as well as Administrative work. My last job was with the furniture division House & Home Head Office of the Shoprite Checkers Group of Companies as an Administrator. I was with the group for 10 years but now I know that I am not near ready for retirement.
