Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I'm looking for jobs that deals with computer skills, networking and software designing. I'm still in university and left with 5 modules, meaning I don't have any skills except university level and so I will need to be trained for those particular jobs. I'm a very good team player, and good at communication and I believe I can bring good changes to your company. Thank you.

Preferred occupation                      Network administrators  
IT, computing jobs

Preferred work location                    Johannesburg  
Gauteng
