Curriculum Vitae (CV)

What job i'm looking for? My positive points

I will be completing my metallurgical engineering degree at Wits University this year (2021). I am looking for a job in the smelting/production unit as I have a good background in that area. I am a hard-working individual who is self-motivated, passionate, driven, good work ethic, team player, and likes challenges and learning new ways of doing things effectively. I am from Limpopo and Polokwane is my hometown, Polokwane smelters is situated close to where I stay, making it convenient for me as I would like to work where I was raised so that I can help develop my community.
