Curriculum Vitae (CV)

What job i'm looking for? My positive points

Dear Mr/Mrs

I am a 26 year single African male from Kwazulu-Natal and willing to relocate, I did my diploma in Marketing Management in Gert Sibande TVET College, in 2017. I thereafter applied & enrolled on a 12 months SETA (SAQA learnership) program and now permanently employed at Canvas and Tents Pty (Ltd). I occupy a data/order expeditor position, I am a proactive, goal & result focused & driven by self-aspirations or actualization, I am one individual who is sharp, willing to learn & lastly but not least I am a team player possessing great leadership skills of which I was awarded for in tertiary & vocational institute. I have problem research and problem solving skills with proficiency in the following languages: isiZulu, siSwati, isiXhosa, English & I currently have a moderate understanding & speaking of Sesotho. I understand that proficiency in computer literature with Microsoft Office 2013/ SAP & being a persevering and persistent incumbent is key for any training or job occupation, I guarantee flexibility, enough to learn, understand and deliver despite the challenges and pressure accompanying the job description by understand the complexity of the job & its core values, the structure of the organization and with what influences its market. I also understand that being a willing to learn and progressive team player will ensure company objectives being obtained and uplift the company to another level of venture as it aspires to do so.

I'm hoping I am a competent applicant for this position and for the organization as a whole & I solemnly affirm or declare the information provided on this resume & Cover letter is correct in every aspect with the Documents provided are legitimate.

Looking forward to hear from you.

kind regards
