What job i'm looking for? My positive points

I'm looking for any job that I can do it at Transnet. I don't have matric I have NYDA certificate for the business. I'm a hard worker I make sure that when I do it people feel happy. I like to analyze my job before I did it, I don't like to walk with people that talk to much if I have partner I like to communicate with him or her before we walk, I like to do that's because I don't like to fight. To arrange your walk halps you to do good things. And make your boss feel happy with your good job
