Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a 35 year old African female whom just completed her B.Com degree in Transport and Logistics recently in August. As a well versed academic student looking for an opportunity to enhance my career and skills while contributing positively towards the company's objectives and learning some new practical skills, I believe I can step up and be the organization's asset in future.

Currently I am equipped with basic computer software operations skills, good communication skills, fast & hardworker, flexible and able to work efficiently under pressure.

Thank you for your consideration regarding my candidacy within your company.
