Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for an engineering job because I like to work with my hand most of the time and when I'm on something I get done in time and I can corporate,I have good communication skills,I can work in group and I believe in myself that I have potential. The main reason why I applied to your company is that I want to join the company and do the best for the company and gain more experience. I promise I won't disappoint you. You can count on me .I thank you.
