Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have 4years experience in verification and data capturing for a call center and field marketing. As much as I'm into verification and data capturing role, it's the relationship between matching what you have received from the client and ensure that I fix errors that we come across during capturing and confirmation stage. I'm very good in communication, engaging and assisting the client transfer them to relevant department or people needed at the time.
