What job i'm looking for? My positive points

I am an outgoing person, therefore can work perfectly with other members. I am currently employed as an auditor, however looking for anything that I can earn extra income from. I am willing to learn and not limited to my profession. I am a hard worker and do not mind to get a position part time as anything from cleaner to admin clerk or general work.

My strong points are accounting and numbers. I can work under pressure and do not take my personal life to work.
