## What job i'm looking for? My positive points

I'm a qualified diesel mechanic looking for a job as a qualified diesel mechanic or assistant for the same position..i would like to be in a position whereby the company will see a great investment in me...and i will be a great asset for the company...

I believe that i am the right candidate for the job as much of the experience i have in the mechanical industry i am able to work without supervision and teamwork also..
