What job i'm looking for? My positive points

I am a humble, honest and multi-tasking caregiver who loves taking care of the elderly people by my experience from my last job with reference from my past employer; I enjoy being in companionship with the elderly, serving them, helping them with all their needs and would love to continue doing that not only for monetary reasons but because it's my passion in building our communities with regards to our elders.

I am looking forward to continue where I left from my previous job as the old lady I took care of unfortunately passed away at her good old age.
