Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for an apprenticeship in electrical engineering. I am a hard working individual, can work in a group. good communication as my current job require customer service. I have worked with small electrical appliances, I am great in problem solving. I love having a challenge, I work just fine under pressure. I know you won't regret giving me a chance. Thank you for considering me.
