## What job i'm looking for? My positive points

I'm looking for a driving job. I have a code 10 licence with PDP. If other jobs are available, I'll take whatever is available. I'm a good driver, started driving at the age of 11 years. I got my license on 2014 immediately after completing matric. I know my way around computers and anything electronic. Working early shifts shouldn't be a problem as I got used to waking up early as child. I'm a hard worker and will be dedicated to my job
