Curriculum Vitae (CV)

What job i'm looking for? My positive points

Any General job will do. I am very good at working under pressure with minimal supervision coupled with excellent communication skills to convey pieces of information and work closely with suppliers or customers, that has helped me develop effective problem solving skills and experience. It also helped me to understand my strength and improve my weakness, excellent leadership skills through problems solving, teamwork and decision making. That's why i know i would be a great asset to your company
