Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am seeking a full time job at woolworths as a store assistant, store to gain relevant experience as a fresh candidate in the workplace to boost the company's brand and build myself a customer based attribute.

Having done work preparation programmes amd courses like jumpstart and cohort academy makes me confident and ready to a large retail workplace like woolworths.

Having little to no work experience reveal that i have soft skills which would enable me to learn hard skills in the workplace.

I have learnt to multi task and work well under pressure through volunteering work i did at a local church(ACSA) while studying. Being part of leadership programmes (DUT Vuna leadership) have boosted being responsible, reliable and collaborative.
