Curriculum Vitae (CV)

What job i'm looking for? My positive points

My positive points are that I'm friendly, I'm a lover of people, I'm a hard worker and fast learner.

I adapt quickly to different environments and once I put my heart into anything it always becomes a success.

I'm currently looking for a job that is travel and customer care related, it maybe be waitressing, being a receptionist or a hotel staff member.

I get a lot of satisfaction from making sure the next person is okay and have got all their needs covered. Hence I believe I would be the most suitable candidate to be considered.

I know there may be a thousand more applicants who are also applying for the same positions I am, it would be an honour to be allowed the privilege to showcase my talents to your organization in person.
