Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I'm a very professional hard working young man, who wants to grow in the industry that I'm in so I'm always willing to learn. I am a very punctual person as I always respect time and when given a task I complete it on time before the deadline. I have good communications skills and I'm a team player. I am a honest and responsible person so when give responsibility I take full accountability and manage the task to the best of my ability. Lastly I'm looking for financial stability so that I can support my family financially so when given a chance I will not take it for granted but show you that you have taken a right decision by employing me by becoming more efficient and more productive .
