What job i'm looking for? My positive points

I work well with people. I have passion with the elderly that's why I did my course at UKUPHELA TRAINING. I have 308 hours of practical experience. I know I'm still young and I don't have matric but like the phrase say if life gives you Lemons make lemonade. I learn ease and would like to build myself up to make my parents more proud.

I hope you will give me a chance to prove myself.

Have a nice day

Kind regards

Annika
