What job i'm looking for? My positive points

I was employed as a caregiver for many years ,that job became a part of me it was something I was good at something I look forward to but there was no growth.

I was a caregiver nursing the sick and old ,but I saw myself as a general worker I was serving tea & breakfast in the mornings feeding and tea in midday the same at night ,laundry in night duty running after the confused residents at night ,washes,bedmaking ,tiding up wardrop packing, mopping .most of the duties mentioned here was not allocated to me but because I wanted to help I assisted at some point .Now I am relieving at Pie Co on weekends as a general worker.
